

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 23, 1995

SUBJECT: **SB 596 - HB 1320**

This bill, if enacted, will amend the Medicine and Surgery Practice Act, allowing all physicians in residency training to submit notarized copies of documents in lieu of originals and to exempt them from the professional privilege tax.

The fiscal impact from enactment of this bill is estimated to be a reduction in state revenues as the result of not collecting the privilege tax; however, such reduction is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
